

JUMBO EVENT - FOLDING DISPLAY BOARDS user instructions

1

Remove the Jumbo Event folding display board from its packaging and stand the display boards up.

2

Hold the edges of the display boards and pull open.

3

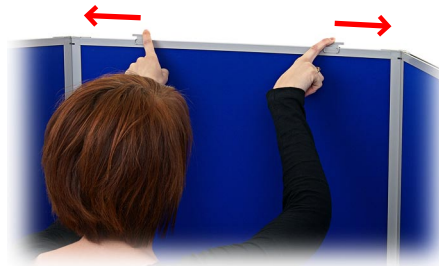

Position the display boards as above. Your Jumbo display boards are ready for use.

4

If you have ordered the optional header display board, place two locking clips in the top centre board aluminium edging.

5

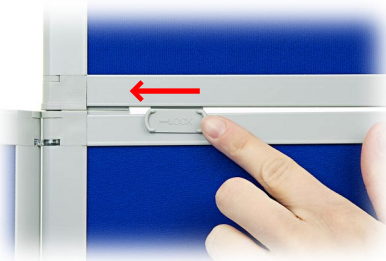

Ensure the arrow and word 'lock' on the locking clips face outwards as shown.

6

Place the header panel on the centre display board, as shown.

7

Slide the locking clips fully over to each edge. Ensure they lock into place.

8

Your Jumbo folding display board and header are now ready for use.
