

## PROMOTIONAL TASTER COUNTER - MERCHANDISING STATION

user instructions

1

Promotional Taster Counter includes:  
Foldable base unit & printed graphic  
Shelf, lid (with 2 holes) and header poles  
Slide on header unit & printed graphic.

2

Fold out the base unit, with the legs on the floor. Wrap the flexible unit around the shelf unit. Click and lock the shelf in place.

3

With the base unit and shelf assembled, place the lid over the lip of the unit. The lid has two holes for the header poles.

4

Insert poles into the holes in the lid and secure into the bottom shelf. Attach the header to the poles and link together as shown.

5

Slide the header graphic into the header panel as shown

6

Lift up the lid and wrap the graphic around the base unit. Ensure the graphic is tightly wrapped.

7

The Promotional counter is now ready.

8

The promotional counter is easily transportable in the carry bag
