

## PROMOTIONAL MERCHANDISING COUNTER user instructions

1

Promotional Counter includes:  
Base counter and lid  
Promo unit printed graphics unit  
Acrylic joining attachment (double only)  
Optional carry bag

2

Place the base unit on the floor with the lip facing upwards. Insert the printed promo counter unit into the base, as shown.

3

If you have purchased the double unit, place the acrylic joining section over the top lip. For single unit, add the lid to complete installation.

4

Place the second Promo counter into the clear joining attachment.

5

Add the lid to the double promotional unit to complete the installation.

6

Promotional Merchandising counter is ready.

7

Two double promo counter units.  
Table and chairs not included.

Single promo unit.

Optional carry bag.
