# Midi Pop Up Display Stands

# Jumbo Pop Up Display Stands

Premier POP UPS

15

“ The Midi Pop Up Stand combines eye-catching design with a shorter height to adapt to smaller exhibitions where height restrictions are in place. With the intuitive pop up design, setting up will take you just a few minutes, allowing you time to focus on your exhibition rather than your stand. Each of the graphic panels are printed using high quality ink to create a display which is both stylish and elegant. ”

# Mobi Easy Clean Screens

“ Mobi Partition Screens provide an effortless way to create temporary space in seconds. Available in up to a combination of 9 panels, you can segregate a large open space easily. The lightweight core incorporated in each makes them easy to manoeuvre into place and the support feet ensure it is sturdy once you have it in position. The fabric is Velcro friendly allowing you to utilise it as a display board if required. ”
