How to upload artwork to our FTP

1 In your web browsers address bar, type: <https://godisp-ftp1.iweb-ftp.co.uk/>

2 Enter the Username and Password:

Username: **godisp-upload**

Password: **d8ph72**

3 To upload a file, click on 'browse' and select the file from your computer. Click 'upload' to send it to our FTP – you are done!

Multiple files: To upload multiple files, click on 'Upload multiple files'. This brings up a new window for the multiple upload. Select your files to upload or 'drag and drop' into the multiple file box.

This web page may ask your browser to automatically install a Java plug-in (if the correct version is not already installed). Please disable pop up blockers for this new window. If your system does not support this auto installation procedure you may need to visit java.sun.com and download the latest version of Java.
