

## STERLING BANNER STAND

### user instructions

MADE IN THE UK 

Made in Britain  
**STERLING**  
BANNER 

1

#### Sterling Banner includes:

- Silver Aluminium base
- Bungee pole
- Printed graphic panel
- Carry bag

2

Swivel out the stabilising feet. Open the three section pole from the base. Insert the pole into the slot on the base.

3

Carefully pull the graphic from base. Lean the banner stand backwards and extend the banner upwards you until it is extended.

4

Secure the pole into the banner rail.

5

The exhibition display banner stand is now fully assembled and ready for use

6

Gently feed the graphics into the base, making sure the graphics do not scrape the sides. **Do not let go of the graphic until fully retracted into the base.**

7

Swivel back the supporting feet and place pole in the base. Your banner is supplied with a protective carry bag.

#### How to care for your graphics

When cared for correctly your graphics have the potential to give excellent service for a considerable time.

1. Never fold or bend your graphics
2. Use the supplied case for transportation
3. Do not expose graphics to water/ moisture
4. Do not expose graphics to excessive heat
5. Do not expose graphics to direct sunlight
6. Store in a dry temperature environment
7. Store at room temperature for 48 hrs before use to avoid curling
